

Unmatched Protection & Comfort for the Automotive Professional

NEW!
& improved

Premium Coveralls

Now featuring improved fabric with 1% carbon fiber added for enhanced antistatic performance, breathable TRIGON fabric in the back, armpits, and crotch keeps you cool and dry. Adjustable waist, soft ribbed cuffs, and generous knee pockets for EVA pads give you all-day comfort and mobility. Multiple pockets — keep your tools right where you need them.

DeVilbiss®

By Binks

Serious work demands serious protection. The new and improved DeVilbiss Premium line of Coveralls and Lab Coats is engineered for professionals who refuse to compromise.

Designed for ultra-lightweight comfort and reliable protection, these Premium Coveralls and Lab Coats are fully certified to CE and anti-static standards. Their silicone-free construction makes them ideal for static-sensitive environments, helping reduce contamination while maintaining all-day comfort and performance.
