Airmix® Fine Finish

Kremlin® Spray Tip

Kremlin® Airmix® spray tip is dedicated to automatic range and manual Xcite®+ gun . Recommended for solvent based paint.

Adapted industrial markets

Technical data table

Designation	Value	Unit
Theoretical Transfer Efficiency	86	%

Marking

Product	Type
Airmix® Fine Finish	CE 0080

Technologies

Airmix® spray
technology

Description

The Sames Kremlin Airmix® tips can be used on our Xcite®+ manual guns and AVX automatic guns. They bring a super finish quality. Pump kits with guns and hosing are available.

Performances

Up to 86% transfer efficiency
Optimum spray quality starting from 50 bar (725 psi)

Productivity

All tips have the same consistent pattern and flow to guarantee constant productivity

Sustainability

The carbide construction is one of the hardest in the world to guarantee the longest lifetime possible.
